Senior/Associate/ Regional Planner

Senior: \$64,666 - \$84,066; Associate: \$58,787 - \$76,423 annual

Open Until Filled. First Review of Applications: Monday, October 5, 2009

THE POSITION

This position will serve as staff to the Division Manager of the Aviation, Goods Movement and Transportation Finance Division of the Regional and Comprehensive Planning Department. The position will assist the Manager in meeting federal fiscal constraint requirements for SCAG's 2012 Regional Transportation Plan (RTP). The employee will work with planning staff and consultants to refine the analytical framework for forecasting transportation revenues and assessing transportation expenditure needs for long-range planning purposes.

This is a flexibly staffed classification. Individuals hired at the Associate level may advance to the Senior level without competition, once the competencies have been met and upon recommendation of their supervisor.

IDEAL CANDIDATE QUALITIES

- Regional/urban planning and policy experience with emphasis in areas of transportation finance and economics
- Strong quantitative and analytical skills
- Research and project management experience
- Effective verbal and written communication skills

ESSENTIAL FUNCTIONS

- Serve as primary staff in conducting fiscal constraint analyses for the 2012 RTP as well as ongoing RTP amendment activities;
- Monitor local sales tax revenues as well as state and federal gas tax revenues for transportation, evaluating trends and assessing short and long term implications for regional investment decisions;
- Provide analytical support in assessing financial and economic implications of project alternatives in the development of the RTP and other planning activities;
- Provide key management support for a number of critical initiatives including SCAG's Regional Congestion Pricing Study and a sub-regional development impact fee study (both studies are in progress);
- Conduct independent research to develop policy papers to better inform SCAG's regional planning initiatives.

MINIMUM QUALIFICATIONS

Education: Equivalent to a Bachelor's degree from an accredited college or university with major course work in urban planning, policy analysis, political science, engineering, economics or a related field. Public policy planning emphasis and/or financial/economic planning is highly desirable. A Master's degree is preferred and may substitute for one year of required experience.

Experience: Associate: Two years of professional urban or regional planning experience. **Senior:** Four years of professional urban or regional planning experience.

Knowledge of: Complex modern theories, principles and practices of urban planning and development as applied to the preparation of transportation regional plans; financial/economic planning concepts; advanced methods and techniques of effective technical report preparation and presentation; advanced statistical concepts, research, and methodology; project management principles and concepts.

Ability to: Analyze and compile policy-level and technical information, work independently and in a team environment, convene disparate groups, identify options and achieve consensus; adapt to multiple task and/or project schedules in a dynamic planning environment; plan and coordinate multi-disciplinary projects; interpret regional transportation planning and housing programs to the general public and to member agencies and investigate planning problems.
